

Earth Day 2018

April 29, 2018 8:30AM – 1:00PM

The Solon Service Department invites you to celebrate Earth Day with us:

Earth Day 2018 will be a modified celebration this year.

Due to construction at the Water Reclamation Department Earth Day will be held in its entirety at the City of Solon Service Department.

The Service Department is located at 6600 Cochran Road.

Residents should stop at the Service Department to purchase bags of mulch, dispose of E-scrap materials and take part in a community shred for Solon residents (a maximum of 3 bankers boxes per household). The shred will take place until the trucks are full and cannot take any more paper.

Mulch Sales: We will sell and load bags of our MULCH for \$2.00 each or \$1.00 A BAG FOR SOLON SENIORS THAT DAY ONLY. Because of the high demand for mulch, there is a limit of 10 bags per car and will be sold on a first come, first serve basis to Solon residents only.

******* Earth Day will be conducted on a drive through basis only, no open house will be conducted.**

Come out and celebrate our Planet Earth with us!

Thank you! For more information please contact the Service Department at 440-248-5834
