Economic Development Manager
Executive Director – Solon Center for the Arts

OK....that last quote will never make Bartlett’s Book of Familiar Quotations, but we think we have an idea you’ll like. Solon Center for the Arts and the Department of Planning & Development have teamed up to create a program to encourage hungry residents to patronize Solon restaurants. We’re calling it **Arts & Eats**.

In January, 2008, Solon Center for the Arts plans to launch CLUB SCA, a program available to families for an annual \$100 membership fee. Members receive discounts on SCA classes, special family arts events and priority registration. Membership fees help support the many activities at Solon Center for the Arts.

We would like to add to that list of CLUB SCA benefits – and that’s where you come in. CLUB SCA **Arts & Eats** Partners (that could be you) agree to pay an annual \$25 fee and offer CLUB SCA members a premium – a discount on meals, free dessert, free beverage or a similar enticement of your choice. In exchange, CLUB SCA **Arts & Eats** Partners will benefit from the following:

- ♪ Increased customer traffic
- ♪ Advertising on SCA’s web site
- ♪ Link from SCA’s web site to your web site
- ♪ Mention in the monthly SCAeNEWS that goes out to members
- ♪ Information about your business in CLUB SCA membership packets
- ♪ CLUB SCA **Arts & Eats** Partner stickers for display at your business
- ♪ **Arts & Eats** Partner list displayed at the front desk of SCA

CLUB SCA **Arts & Eats** Partners

We would like to secure the restaurant partners right away. If you would like to become a CLUB SCA **Arts & Eats** Partner, please contact Joan Long at (440) 337-1420.

This is what happens when Arts & Economic Development get together. We hope you will join the partnership and help us promote the *art of fine dining* in Solon!
