### **When did Malley's Chocolates open in Solon and why was Solon chosen as a location?**

December 1, 1996. We felt that Solon was a great community and a great opportunity for our business. At the time, we already had a large customer base in the area, and we've been able to grow that base thanks to the wonderful support of the Solon community. It's been 25 years in Solon, and we could not be happier with our decision.

### **What is the most popular item you sell?**

It's Easter season, so our most popular item now – and every Easter – is our Milk Carmallow Eggs. It's our family recipe of fluffy marshmallow and soft caramel surrounded with real milk chocolate. We also sell a lot of our Marshmallow Eggs which is the same, minus the caramel. And, of course, we sell a ton of our chocolate bunnies.

### **How is Malley's Chocolates different from other chocolate?**

We stress quality in all our recipes, and we still use the original recipes our grandfather created in 1935. Even with all of today's modern technology, we don't take any shortcuts to make our premium chocolate confections.

### **What else would you like Solon residents to know about your business?**

That no matter the occasion, Malley's has the perfect chocolate gift to give your friends and family, and you can even pick up a treat for yourself – you can't beat Malley's.

**Malley's is the perfect gift that is never returned!**
