## **Why did you open Verity Loans in Solon?**

After a few decades of experience, we moved to Solon in November 2020. We just really love the area – it's a fantastic place and we felt it really fit our profile as a company who cares about the community in which we live and work.

## **What sets you apart from other businesses like yours?**

We provide all types of mortgage loans for our clients and our relationship with our clients is very important to us. Studies have shown that being able to reach their loan officer is very important to customers. So, I answer my phone until 9 p.m. every day, 7 days a week. Of course, our rates are competitive, but service to our clients is critical to our success.

## **What else would you like the residents of Solon to know about your business?**

Our key people have more than 50 years combined in lending. That experience will serve you well during the loan process. I also teach classes on any aspect of the loan process to make certain our clients have the information they need. This gives them confidence they made the right decision when choosing us to handle their funding needs.
