

## City of Solon

### UPCOMING PROJECT INFORMATION

#### CUY-CR 148-1.04 Liberty Road (PID 109517)

The City of Solon has proposed a project that will include asphalt resurfacing of Liberty Road from Pettibone Rd. to Spicebush Lane. This project will concurrently take place with the proposed reconstruction of State Route 43 (Aurora Rd.). Construction is currently scheduled to begin in spring of 2022.

The City of Solon welcomes your questions and comments. Issues you may wish to comment on may include, but are not limited to, the effect of the project on local residents, air quality, the local economy, floodplains, and historic or cultural resources. Comments are requested by September 16, 2021 to ensure your comments may be considered during project development.

Please be aware that, at this stage in the project development, it will not be possible to provide you with specific information regarding potential real estate acquisition. If right-of-way acquisition is necessary from your property, a representative working for the City of Solon will contact you directly at a later date to discuss the right-of-way needs, the acquisition process, and your rights under that process.

Questions or comments? Please contact John J. Busch, PE, City Engineer,
