When did you open your business in Solon?

Dr. Garcia, CEO and Founder, chose Solon 8 years ago to offer easy access to premier dermatology care.

What is the mission of Apex Dermatology?

Apex Dermatology's mission is "transforming lives through healthy skin" with a 360-degree approach utilizing medical, surgical and aesthetic dermatology.

What services does Apex Dermatology provide?

Apex Dermatology offers a variety of services with an emphasis on our SPOTcheck Program, which guarantees an appointment within one business day for new or changing lesions. To schedule an appointment, visit our website at www.apexskin.com or call **833-279-SKIN**.

Can you tell us more about the physicians at Apex?

Dr. Brian Moore grew up in the Cleveland area and attended University School, where he graduated cum laude. He has a degree in english literature from Columbia University. From there, he went on to earn his master's degree from University of Toledo College of Medicine. Dr. Moore specializes in medical and aesthetic dermatology with a special focus on surgical procedures.

Marlise Fletter, CNP, moved to the Cleveland area from Indiana and practiced dermatology with the Cleveland Clinic. She has been practicing dermatology for over 10 years with a background in family medicine. Her specialties include medical and aesthetic dermatology with an interest in acne and Botox.
